

# AWS CLOUD ACCOUNT REGISTRATION

# Create new AWS Account

<https://aws.amazon.com/free>

The screenshot shows the AWS Free Tier landing page. At the top, the AWS logo is on the left, and navigation links for 'Contact Sales', 'Support', 'English', and 'My Account' are on the right. Below the logo is a horizontal menu with links: 'Products', 'Solutions', 'Pricing', 'Documentation', 'Learn', 'Partner Network', 'AWS Marketplace', 'Customer Enablement', 'Events', 'Explore More', and a search icon. A secondary navigation bar contains 'AWS Free Tier', 'Overview', 'FAQs', and 'Terms and Conditions'. The main hero section has a dark blue background with the text 'AWS Free Tier' in large white font, followed by 'Gain free, hands-on experience with the AWS platform, products, and services'. A yellow button labeled 'Create a Free Account' is highlighted with an orange oval. Below this, the 'Types of offers' section explains that over 60 products are available and lists three offer types: 'Always free' (represented by an infinity symbol icon), '12 months free' (represented by a calendar icon), and 'Trials' (represented by a stopwatch icon). Each offer type includes a brief description of its terms.

AWS Free Tier Overview FAQs Terms and Conditions

## AWS Free Tier

Gain free, hands-on experience with the AWS platform, products, and services

Create a Free Account

### Types of offers

Explore more than 60 products and start building on AWS using the free tier. Three different types of free offers are available depending on the product used. See below for details on each product.

#### Always free

These free tier offers do not expire and are available to all AWS customers

#### 12 months free

Enjoy these offers for 12-months following your initial sign-up date to AWS

#### Trials

Short-term free trial offers start from the date you activate a particular service

### About Amazon.com Sign In

Amazon Web Services uses information from your Amazon.com account to identify you and allow access to Amazon Web Services. Your use of this site is governed by our Terms of Use and Privacy Policy linked below. Your use of Amazon Web Services products and services is governed by the AWS Customer Agreement linked below unless you have entered into a separate agreement with Amazon Web Services or an AWS Value Added Reseller to purchase these products and services. The AWS Customer Agreement was updated on March 31, 2017. For more information about these updates, see [Recent Changes](#).

# AWS Account Registration (Step 10)

The screenshot shows the AWS Management Console interface. At the top is a dark navigation bar with the AWS logo, 'Services' with a dropdown arrow, 'Resource Groups' with a dropdown arrow, a star icon, a notification bell, 'AWS Cloud Training' with a dropdown arrow, 'Mumbai' with a dropdown arrow, and 'Support' with a dropdown arrow. Below the navigation bar, the main heading 'AWS Management Console' is displayed. The page is divided into several sections: 1. 'AWS services' section containing a 'Find Services' search bar with the placeholder text 'Example: Relational Database Service, database, RDS' and a 'Recently visited services' list showing icons for EC2, Billing, AWS Glue, Lambda, and EMR, with a link to 'All services'. 2. 'Build a solution' section with three cards: 'Launch a virtual machine' (With EC2, 2-3 minutes), 'Build a web app' (With Elastic Beanstalk, 6 minutes), and 'Build using virtual servers' (With Lightsail, 1-2 minutes). 3. 'Access resources on the go' section with a mobile app icon and text: 'Access the Management Console using the AWS Console Mobile App. Learn more'. 4. 'Explore AWS' section with three articles: 'Amazon Redshift' (Fast, simple, cost-effective data warehouse...), 'Run Serverless Containers with AWS Fargate' (AWS Fargate runs and scales your containers...), and 'Scalable, Durable, Secure Backup & Restore with Amazon S3' (Discover how customers are building backup & restore solutions...).

**AWS Management Console**

**AWS services**

**Find Services**  
You can enter names, keywords or acronyms.

Q Example: Relational Database Service, database, RDS

▼ Recently visited services

- EC2
- Billing
- AWS Glue
- Lambda
- EMR

► All services

**Build a solution**  
Get started with simple wizards and automated workflows.

- Launch a virtual machine**  
With EC2  
2-3 minutes
- Build a web app**  
With Elastic Beanstalk  
6 minutes
- Build using virtual servers**  
With Lightsail  
1-2 minutes

**Access resources on the go**
